In celebration of The Old Depot Association’s 30 years of community service, the Board of Directors is improving the area between the depot and caboose with a ‘Whistle Stop Garden’. This area will be paved with bricks, have seating areas, a water feature using the original historic water fountain, and a new shade tree.

The ODA is seeking donors who would like to show their support in a commemorative way for the community by buying a brick that will form a permanent part of the patio garden. A name or personal inscription can be engraved in each brick. Everyone is invited to buy a brick, either for you or for someone else, to commemorate a special occasion, i.e. (birth, wedding, anniversary, graduation) or to honor or remember someone special. Local organizations and businesses are encouraged to show their support.

The specially engraved decorative brick will become a permanent legacy. Your 4"X8"X2 ¼ brick would be engraved using state of the art laser technology with a lifetime warrantee. Each brick is limited to three lines of 20 characters per line (include spaces and punctuation). Each costs \$100. Orders will be accepted throughout the year. The Old Depot Association reserves the right to approve all copy to be engraved on bricks.

Please ensure that your message contains only one character or space per box. One brick per form. Please make copies as needed.

Your Name: _____ Phone: _____

Address: _____ Email _____

City: _____ State: _____ Zip: _____

I agree to donate \$100 to The Old Depot Association for each brick.

Signature: _____ Date: _____

Please mail this form and your check to the above address.
