## *Rules and Regulations*

- All work must be designed and executed by the accepted artist. No imported or buy/sell goods will be eligible to be exhibited. Stuffed animals or dolls must be handmade, not decorated, commercially made products. Work made from kits of any kind is unacceptable. Your work may incorporate such commercially produced parts such as jewelry findings, or plastic flowers.
- Exhibitors and food vendors will display on Sutton Ave and the public parking lot at the east end of Sutton Ave. Fees for exhibit space are for the one-day event/s. **Each vendor is required to have their own 10'x10' waterproof tent, and 40lbs. weights on each corner (no stakes).**
- All new and returning artist/craftspeople must be juried each year. **Photos, jpg. files emailed to [craftshow@olddepot.org](mailto:craftshow@olddepot.org), are ideal.** We can accept cds or printed photos as well, but sadly not slides. Please place a number on photos, corresponding to the description on the application. Photos/jpg images should be of high quality and an accurate representation of work to be exhibited, plus a view of your booth.

Photos/CDs will be returned to you with confirmation or rejection notice in the self-addressed, stamped envelope you submit with your application. There is a \$25.00 nonrefundable jury fee to be mailed with your application and booth fee, or paid online through paypal. Failure to pay the booth fee will result in forfeiting your spot. There is a \$50 fee for returned checks.

- Set-up time permitted from 6:00am to 9:30am Saturday. Once you have unloaded your vehicle, please move it to the Bi-Lo parking lot. DO NOT set up your tent or displays with your vehicle parked in the festival area. NO vehicles will be allowed in the exhibit area during show hours.
- Exhibitors must provide own display equipment (including tools and extension cords), set-up and dismantle. ALL vendors are responsible for the removal of their own garbage, including cigarette butts. Receptacles will be located throughout the festival. Please keep our town litter free. Please be prepared for outdoor sites. Not all grounds are perfectly level. We do the best we can to cover grates and avoid steep inclines/declines.
- Arts/craft spaces measure 10'x10'. Infringement will not be tolerated on neighboring spaces. Sidewalks must be clear for business owners and their customers to use. Please keep all your packing material and extra merchandise in your tent or your vehicle.
- Each vendor is responsible for collecting/reporting their own sales tax. If you need information about North Carolina Sales Tax, please go online here:  
<http://www.dor.state.nc.us/electronic/registration>
- No refunds after acceptance to the show, or if we have to cancel due to "Acts of God," i.e. extreme weather. We will do our best to arrange wonderful weather for the show, and if for some reason we have to cancel you will be notified by email the week of the show.
- We will continue to accept applications on a first come first serve basis up until the show date if there is room, however there will be a \$15 late fee attached to the booth fee, and space will only be permitted if there is an opening.
